

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit <http://home.commonspirit.org/employeecentral/mybenefits> or call (855) 475-4747 option 1. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at [www.healthcare.gov/sbc-glossary](http://www.healthcare.gov/sbc-glossary) or call (855) 475-4747 option 1 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	Enhanced Network <u>Provider</u> (CIN): \$3,300 individual / \$6,600 family per calendar year. Out-of-Network <u>Provider</u> : \$6,000 person / \$12,000 family per calendar year.	Generally, you must pay all the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u> ?	Yes. Well-child care, preventive drug list medications and <u>preventive care</u> are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="http://www.healthcare.gov/coverage/preventive-care-benefits/">www.healthcare.gov/coverage/preventive-care-benefits/</a> .
Are there other <u>deductibles</u> for specific services?	No.	<b>You don't have to meet <u>deductibles</u> for specific services.</b>
What is the <u>out-of-pocket limit</u> for this <u>plan</u> ?	Enhanced Network <u>Provider</u> (CIN): \$4,000 individual / \$8,000 family per calendar year. Out-of-Network <u>Provider</u> : \$12,000 individual / \$24,000 family per calendar year.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u> ?	Premiums, pre-service review penalties, <u>balance-billed charges</u> , and health care this <u>plan</u> <b>doesn't cover</b> .	<b>Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u>.</b>
Will you pay less if you use a <u>network provider</u> ?	Yes. Enhanced Network: <b>Blueprint Health Network</b> See <a href="http://www.NebraskaBlue.com/FindADoctor">www.NebraskaBlue.com/FindADoctor</a> or call (844) 908-4534 for a list of <u>network providers</u> .	This plan uses a <u>provider network</u> . You will pay less if you use a <u>provider in the plan's network</u> . You will pay the most if you use an out-of-network <u>provider</u> , and you might receive a bill from a <u>provider for the difference between the provider's charge and what your plan pays (balance billing)</u> . Be aware, your <u>network provider</u> might use an out-of-network <u>provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .
