

MedicareBlueSM Rx (PDP)

A Medicare Prescription Drug Plan

2025 Enrollment Guide

A drug plan that works with your health plan

MedicareBlueSM Rx (PDP) is a Part D prescription drug plan with two coverage options, Standard and Premier, that provides coverage for the drugs you may take today or may need in the future. MedicareBlue Rx could be a good fit for you if:

- You have Medicare Part A, Part B or both
- You are enrolled or plan to enroll in a Medicare supplement insurance plan (Medigap)
- You currently take prescription drugs, or think you may in the future

Enrolling in a prescription drug plan can also help you avoid the Part D late enrollment penalty. If you don't enroll in a Part D plan when you first become eligible, you may have to pay a penalty if you decide to enroll later. This penalty is added to your monthly premium and you will pay it for as long as you remain enrolled in a Part D plan.

Convenient coverage with a nationwide pharmacy network

- **Coverage you can rely on:** MedicareBlue Rx provides coverage for generic, brand-name, and specialty prescription drugs
- **Nationwide pharmacy network:** Fill your prescription at pharmacies across the U.S. or have prescriptions delivered to you
- **Save with special rates:** Thousands of pharmacies in our network offer preferred cost sharing, meaning you could save with participating network pharmacies across the U.S., including independent pharmacies, national chains, and more

Financial assistance program: Extra Help

You may be able to get financial assistance with your prescription drug premiums and costs. To see if you qualify for Extra Help, call:

- **Medicare**
1-800-633-4227 (TTY: **1-877-486-2048**)

Medication therapy management program

If you meet certain requirements, MedicareBlue Rx provides a medication therapy management (MTM) program at no cost. The program helps you and your doctor make sure your medications are appropriate for your needs. You may be eligible for this program if you:

- Take eight or more Part D covered maintenance drugs
- Have three or more long-term health conditions, such as asthma and diabetes
- Reach \$1,623 in annual drug costs paid by you and MedicareBlue Rx

When to enroll

Knowing when you can enroll, disenroll, and make changes to your prescription drug plan is important so that you can avoid enrollment penalties and lapses in coverage. Review the summary of Medicare enrollment dates below to determine when you can enroll in MedicareBlue Rx.

 Time period	 What you can do	 When you can do it

MedicareBlueSM Rx (PDP) pre-enrollment checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a Medicare Solutions Specialist at **1-866-434-2037** (TTY: **711**), 8 a.m. to 8 p.m., daily, Central and Mountain times.

Understanding the benefits

- The *Evidence of Coverage* (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit **YourMedicareSolutions.com** or call **1-866-434-2037** (TTY: **711**), 8 a.m. to 8 p.m., daily, Central and Mountain times, to view a copy of the EOC.
- Review the *pharmacy directory* to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- Review the *formulary* to make sure your drugs are covered.

Understanding important rules

- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums, and/or copayments/coinsurance may change on January 1, 2026.
- Effect on Current Coverage:** If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.

FREQUENTLY ASKED QUESTIONS

WHAT IS MEDICAREBLUE RX (PDP)?

MedicareBlue Rx is a prescription drug plan (PDP) that works with your Medicare benefits. Not all covered services are listed in this booklet. To see a complete list of covered services, call MedicareBlue Rx and ask for the *Evidence of Coverage*. The phone numbers are listed on the inside front cover. You can also visit YourMedicareSolutions.com to view the electronic version.

CAN I JOIN?

To join, you must be entitled to Medicare Part A and/or enrolled in Part B and live in our service area, which includes Iowa, Minnesota, Montana, Nebraska, North Dakota, South Dakota and Wyoming.

ARE MY DRUGS COVERED?

Check the formulary, also called a drug list, at YourMedicareSolutions.com, or call MedicareBlue Rx and we will send you a copy.

HOW MUCH WILL I NEED TO PAY FOR PRESCRIPTION DRUGS?

The amount you pay depends on what tier the drug is on and what benefit stage you have reached. Your costs for each drug tier and benefit stage are shown in the benefit chart in this booklet.

WHICH PHARMACIES CAN I USE?

In general, use the pharmacies in the plan's network to fill your prescriptions. Some pharmacies offer preferred cost sharing, and you may pay less when you use them. You can find the list of pharmacies for this plan at YourMedicareSolutions.com, or call and we will send you a *Pharmacy Directory*.

If you must use an out-of-network pharmacy, you will generally have to pay the full cost at the time you fill your prescription. You can ask us to reimburse you for our share of the cost (see Chapter 5, Section 2 of the *Evidence of Coverage*).

WHERE CAN I LEARN MORE ABOUT ORIGINAL MEDICARE?

The *2025 Medicare & You* handbook explains what Original Medicare covers and the costs you may pay. You can view the handbook online at Medicare.gov or call **1-800-MEDICARE (1-800-633-4227)** (TTY: **1-877-486-2048**). You can call 24 hours a day, seven days a week.

WHAT ARE THE BENEFIT STAGES?

As you spend up to certain dollar amounts on your covered prescription drugs, you will move into different benefit stages.

Stage 1: Meet your deductible

The amount you must pay for prescriptions before your plan begins to pay.

Stage 2: Initial coverage

The stage before your total drug costs for the year have reached \$2,000. During this stage you will pay a copayment or coinsurance for your prescriptions.

Stage 3: Catastrophic coverage

This stage begins after your out-of-pocket costs for the year have reached the \$2,000 limit for the calendar year. You will stay in this payment stage until the end of the calendar year. During this payment stage, the plan pays the full cost for your covered Part D drugs. You pay nothing.

Why Star Ratings Are Important

More stars mean a better plan – for example, members may get better care and better, faster customer service.

The number of stars show how well a plan performs.
